Sault College Library
Unattended Children Policy

The Sault College Library is open to college students, faculty, staff, and community members. Children are welcome to visit the library as long as they are:

1) Accompanied by a parent or adult caregiver and
2) Under appropriate supervision.

Please be aware that our facilities are open to the public and the safety and security of children are the responsibility of the parent/caregiver. Library staff are not responsible for the safety, care, or supervision of children of any age in the library.

Parents/caregivers must monitor all activities and behaviour of their children while they are in the library. Noisy and disruptive behaviour is not acceptable and the Library Code of Conduct must always be observed. Parents/caregivers are responsible for any damage to library materials, furnishings, or property (i.e. tearing, defacing, cutting, or destroying books, periodicals, equipment, etc.)

If a child appears to be unattended or is left in the library at closing time, library staff will make a reasonable attempt to locate a parent or adult caregiver and then will report the situation to Security.
